

Participation of lectures and seminars

Active participation in lectures and seminars. Additional points can be earned for substantive questions and comments.

Homework Öpiväljund 1-3

- Compliance with the research question in the syllabus.
- Reasoning behind arguments
- Well structured homework (including correct referencing, bibliography, language use)
- submitting homework on time. Being 1-2 days late will decrease the grade by 20%, 3-5 days late will decrease by 35%. Being more than 5 days late will result in the homework being rejected.
- Argumentation behind the review of co-students homework

Prerequisites for grading

Submitting two homeworks without being more than 5 days late.

Formation of the final grade
