

ASSESSMENT METHOD	ASSESSMENT CRITERION
STUDENT REPORT ON THE PRACTICUM	<p>The assessment scheme is “pass” or “fail”.</p> <p>“Pass” – the report is an adequate description of the positive and negative aspects of the tasks fulfilled during the practicum and includes analysis and suggestions about the tasks fulfilled during the practicum.</p> <p>“Fail” – significant shortcomings occur in the description and analysis of the tasks fulfilled.</p>
ELIGIBILITY FOR ASSESSMENT	<p>To pass the practicum the student has to present a certificate. The area and action plan of the professional practice shall be agreed with the teacher coordinating the professional practice. At the end of the professional practice, student shall submit practice report to the coordinating teacher.</p>
FINAL GRADE	<p>In order to get a pass, the student has to fulfil the action plan agreed with the teacher coordinating the professional practice, and to compile a report on the professional practice.</p>
